Nursing Mothers and Over-burdened Women

In all stations of life, whose vigor and vitality may have been undermined and broken-down by over-work, exacting social duties, the too frequent bearing of children, or other causes, will find in Dr. Pierce's Favorite Prescription the most potent, invigorating restorative strength-giver ever devised for their special benefit. Nursing mothers will find it especially valuable in sustaining their strength and promoting an abundant nourishment for the child. Expectant mothers too will find it a priceless boon to prepare the system for baby's coming and rendering the ordeal comparatively painless. It can do no harm in any state, or condition of the female system.

Delicate, nervous, weak women, who suffer from frequent headaches, backache, dragging-down distress low down in the abdomen, or from painful or irregular monthly periods, gnawing or distressed sensation in stomach, dizzy or faint spells, see imaginary specks or spots floating before eyes, have disagreeable, pelvic catarrhal drain, prolapsus, anteversion or retro-version or other displacements of womanly organs from weakness of parts will, whether they experience many or only a few of the above symptoms, find relief and a permanent cure by using faithfully and fairly persistently Dr. Pierce's Favorite Prescription.

This world-famed specific for woman's weaknesses and peculiar ailments is a pure glyceric extract of the choicest native, medicinal roots without a drop of alcohol in its make-up. All its ingredients printed in plain English on its bottle-wrapper and attested under oath. Dr. Pierce thus invites the fullest investigation of his formula knowing that it will be found to contain only the best agents known to the most advanced medical science of all the different schools of practice for the cure of woman's peculiar weaknesses and ailments.

If you want to know more about the composition and professional endorsement of the "Favorite Prescription," send postal card request to Dr. R. V. Pierce, Buffalo, N. Y., for his *free* booklet treating of same.

You can't afford to accept as a substitute for this remedy *of known composition* a secret nostrum *of unknown composition*. Don't do it.

A WOMAN TO BE PRETTY

Must Have Luxuriant and Glossy Hair, No Matter What Color.

The finest contour of a female face, the sweetest smile of a female mouth, loses something if the head is crowned with scant hair. Scant and falling hair, it is now known, is caused by a parasite that burrows into the scalp to the root of the hair, where it saps the vitality. The little white scales the germ throws up in burrowing are called dandruff. To cure dandruff permanently, then, and to stop falling hair, that germ must be killed. Newbro's Herpicide, an entirely new result of the chemical laboratory, destroys the dandruff germ, and, of course, stops the falling hair, and prevents baldness. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Two sizes—50 cents and $1.00.

into a quart of milk and freeze, without heating or cooking. Simple, isn't it? Saves the cost of eggs, sugar and flavoring. Saves measuring out ingredients and cooking. Does away with all uncertainty, and insures the best and purest ice cream possible to produce. Failure impossible. Nothing to add except milk. One package costing 15c. makes nearly two quarts ice cream.

Flavors: Chocolate, Vanilla, Strawberry, Lemon and Unflavored.

2 packages 25c. If your grocer does not keep it send us his name and 25 cents for two packages by mail. New illustrated recipe book mailed free.

Embezzler's Confession.

In Charlotte, N. C., yesterday Franc H. Jones was sentenced by Judge Boyd to six years' servitude in a federal prison for embezzling funds from the Charlotte National Bank. Jones told the story of his speculations and escape, and his mother and wife corroborated his part in the testimony. Jones declared that he and Fonville entered into a partnership to use the bank's money in speculation.

Jones declared that he went away with only $7,000, and, after spending $2,000, brought back $5,000, which he returned to the bank. He could have gone away with $50,000 or $100,000 easily if he had so desired, but he did not want to break the bank or get it into serious trouble, he said. Jones declared that his mother's pitiful appeals for money for his sick father had led him to his fall.

"I was halting between two opinions," Jones said. "My duty to the bank on one side and my duty to my parents on the other troubled me, and, therefore, I resorted to speculation."

He bought cotton the first time, and made enough to tide him over. But his father grew worse, and he resorted again to speculation, and then luck went against him, he said.

Finally he connected himself with Percy G. Fonville and W. B. Bell, stock brokers, in an effort to recoup his losses. He told them, he said, that he would not use his own money, but that of the bank, which they were to give back out of their profits.

Bell was arrested yesterday afternoon. Fonville's case will be tried at Greensboro in October.

Attempted Assault.

John Robinson, colored, who has a long record with the Lynchburg police, was held in the Police Court yesterday for the grand jury, charged with entering the home of W. G. Gallier in Lynchburg, and attempting to criminally assault Mr. Gallier's wife, who was sleeping. When Mrs. Gallier was aroused the negro was clutching her throat. Her struggles aroused her husband, who was asleep beside her, and the negro jumped from the bed and hid under it. He was taken out and held for the police, who were telephoned for.

Gallier is a night watchman, and Robinson, who lives near the Gallier home, thought the husband was absent. Robinson first went to a chamber on the second floor, where five young ladies were sleeping, and when one of them awoke he was crawling on all fours toward one of the beds. The negro entered the house through a window, blew out several lights after removing his shoes and disabled the telephone before going upstairs.

Tetter Cured.

A lady customer of ours had suffered with tetter for two or three years. It got so bad on her hands that she could not attend to her household duties. One box of Chamberlain's Salve cured her. Chamberlain's medicines give splendid satisfaction in this community.—M. H. Rodney & Co., Almond, Ala. Chamberlain's medicines are for sale by W. F. Creighton & Co. and Gibson & Timberman.

Negro Commits Suicide.

After presenting a forged order for $850 in the office of the paymaster of the Department of the Gulf in Atlanta, Ga., yesterday afternoon, while handcuffed and in the custody of two policemen, a negro swallowed carbolic acid, which he had concealed on his person. His death soon followed. The negro, who represented himself as John Williams, a discharged corporal of the Twenty-fifth Infantry, which is accussed of shooting up Brownsville, has been giving the government trouble for some months by presenting forged orders for back pay. He recently tried to work the same game on the army paymaster at Kansas City, but failed and made his escape. The Department of the Gulf officials had been notified of the forger's operations and was watching for him. When he appeared yesterday and presented the order he was held in conversation until officers arrived. As the negro swallowed the poison he said: "I will never go to jail."

A Real Wonderland.

South Dakota, with its rich silver mines, bonanza farms, wide ranges and strange natural formations, is a veritable wonderland. At Mound City, in the home of Mrs. E. D. Clapp, a wonderful case of healing has lately occurred. Her son seemed near death with lung and throat trouble. "Exhausting coughing spells occurred every five minutes," writes Mrs. Clapp, "when I began giving Dr. King's New Discovery, the great medicine, that saved his life and completely cured him." Guaranteed for coughs and colds, throat and lung troubles, by E. S. Leadbeater & Sons, druggists. 50c and $1.00. Trial bottle free.

Badly Mixed Up.

Abraham Brown, of Winterton, N. Y., had a very remarkable experience; He says: "Doctors got badly mixed up over me; one said heart disease; two said it was kidney; the fourth, blood poison, and the fifth stomach and liver trouble; but none of them helped me; so my wife advised trying Electric Bitters, which are restoring me to perfect health. One bottle did me more good than all the five doctors prescribed." Guaranted to cure blood poison, weakness and all stomach, liver and kidney complaints, by E. S. Leadbeater & Sons, druggist, 50c.

TO THE OWNERS OF DOGS.

MAYOR'S OFFICE,
Alexandria, Va., June 12, 1907.

All persons owning or intending to keep any animal of the Dog or Canine species should come forward on or before
JUNE TWENTY-FIFTH, 1907,
and take out a license for the same from the Auditor. After the 30th of June all persons owning or harboring Dogs without the required license are subject to a fine as the laws on the subject require of $3.00 or $5.00.

Complaint has been frequently made that many persons fail to take out their license, and that others pay on one or two dogs when owning and harboring more, or who send such dogs away during the summer months and bring them back in the fall.

Attention has been called to this evasion of the law, and policemen will report all such cases and fines can be imposed upon those who fail to take out licenses after trial in the Police Court.

The police officers will be required to report all violations of this law.

In order to avoid any mistakes persons who make application for licenses would do well to write their names and number of residence, street, etc., on a card or paper when making application for licenses to the Auditor.

FRED. J. PAFF, Mayor.

TUESDAY EVENING, JUNE 18, 1907.

THE PRIMARY ELECTION for the purpose of nominating a democratic candidate for Congress from the 8th district to succeed the late John F. Rixey will take place tomorrow. Three well-known and capable gentlemen are in the race, each anxious to be selected as the standard bearer of his party, and either of whom would make an earnest and satisfactory representative. It is unnecessary to name the gentlemen who have been appealing to voters during the past few months. They have made themselves known or renewed acquaintances throughout the district. There is no real issue confronting this district at present, and the matters that have been discussed would be handled well by either of the gentlemen that may be selected. As is natural, voters in the localities from which the candidates hail are vigorously pushing the claims of their respective favorite but during the canvass, so far as is known, no bitterness has been shown, all realizing the fact that personally each candidate meets all requirements as to ability. Hence, after all, the voters will merely be called upon to select one out of the three good men who are candidates for Congressional honors It is a friendly contest in the democratic camp, and while all have by this time determined for whom they will vote, when the result shall have been announced a motion will be immediately made and carried to make the nomination unanimous.

THE ANARCHISTS in Rome obtained permission from the police to hold a congress, which was inaugurated last Sunday, and is now going on. Many delegates are in attendance. The building where the congress is held is decorated outside with black and red flags. The programme contains an affirmation that anarchists are bound to combat religion, which, like governments and capitalism, represents authority. Hence, efforts must be made to promote irreligion among the rising generation by the cult of nature, truth, beauty, labor, liberty and love. Anarchists have been propagating their dangerous creeds for many years, and have invaded every civilized country on the globe. There is every reason to believe that a mighty struggle between these cut-throats and religion, law and order will be the prominent feature of the programme of the future. Agnostic and atheistic utterances from leaders of thought (some unfortunately in the pulpit) are continually fanning a flame which is destined to become a prairie fire.

IN HIS baccalaureate sermon at Syracuse, N. Y., University recently Chancellor Day charged that the courts, congress and legislatures had been overridden by the Roosevelt administration, saying that the lines between the different departments of the government were fast disappearing under an autocracy "as tyrannical and supreme as the world has ever known." The constitution had become "a mere elastic band to hold the States in compact at the adjusting will of the chief executive." The same sort of criticism Chancellor Day applied to New York State in its recent enactment of the public utilities law at the behest of Governor Hughes. "And ours is a government by commissions," remarked the chancellor sarcastically. He referred to the recent shrinkage of six billions in values. A large number of other people hold to the exactness expressed by Chancellor Day, but, however, unfortunately are not in the majority.

COTTON is still king. Cotton exports from the United States will aggregate nearly $500,000,000 in the fiscal year which ends on June 30. The total exports for the 11 months ended with May, as shown by figures obtainable from the bureau of statistics, is $470,000,000, and, as the May exports aggregate about $20,000,000 in value, it seems to justify the statement that the total for the fiscal year of 1907 will fall but slightly below $500,000,000. If the planters only had the necessary labor to attend the cotton fields the riches of the south would increase many fold.

JEDDO women, who raised such an uproar against the Freeland, Pa., butchers some days on account of the advance in meat prices, have won a signal victory. At a meeting of Freeland butchers Saturday it was decided to reduce the price to the original figure. Although the butchers made the statement earlier in the day that they could not and would not lower the rates, they surrendered unconditionally.

SENATOR FORAKER yesterday issued a statement declaring that all the testimony taken in the Brownsville affair fails to show the negroes did it. Senator Foraker accepts the negroes' story and rejects those of white witnesses as untrue. Why of course, nothing more was expected of Mr. Foraker.

THE constitutional party in Tokio has adopted the following resolutions:

The persecution of our compatriots is deeply to be regretted, for the sake of both America and Japan, but we must not forget that there exists between the two nations the closest friendship, which might almost be called an alliance. In the face of the profession of the government at Washington and the American people in general, such incidents as are reported to have occurred must not be taken as expressions of their will. It is believed, therefore, that the question, if properly handled, is capable of a just and intelligent solution. We must refrain from becoming excited over unlawful conduct on the part of the people and thus injuring the national cause. We expect that a proper settlement will soon be reached through peaceful diplomacy.

The spirit of the above should be taken as an indication that sensible people in Japan have no idea of rupturing relations with the United States over trivial incidents like those that have occurred in California.

THE withdrawal of Mr. John F. Ryan, of Loudoun, from the Congressional race at the eleventh hour, is regarded as a strange procedure, and is not generally understood here. There is an intimation that Mr. Ryan withdrew in the interest of one of the other candidates, but this his friends deny, and say he could not transfer his vote to another, even if he wished do so. Each of the other candidates say his withdrawal will help them, but others are skeptical and say which ever way Loudoun is swung so will go the election.

From Washington.

[Correspondende of the Alexandria Gazette.]

Washington, June 18.

President Roosevelt has just made the most magnificient gift to China that the United States or any other government has made to a foreign nation. Through Secretary Root he has notified Sir Cheun Liang Cheng, the Chinese minister, that, with the approval of Congress, the United States voluntarily will relinquish the difference between the total of expenses and claims incurred in the suppression of the boxer revolt of 1900 and the amounts which China agreed to pay to this country in satisfaction thereof. The difference, according to the announcement today, is fixed officially at the enormous figure of $27,000,000. Beyond the mere generosity of the gift, there are international aspects in the matter which were promptly considered by foreign chancellories. In the first place the relinquishment of the difference between the amount China agreed to pay and that justly due establishes a precedent for like action on the part of Russia, Germany, France, Japan and Great Britian, each of which demanded indemnities far in excess of the expenses actually incurred and the damages suffered by their subjects. In the second place Japan will look upon it as a tremendous bid by the United States for the sympathy and friendship of China, something she has been endeavoring to secure.

The Navy Department was advised today by Rear Admiral Emory, at Hampton Roads, of the finding of the body of Walter Carl Ulrich, of Wisconsin, who was one of the midshipmen to go down with the launch of the Minnesota on June 10. The department has also received confirmation of the finding of the bodies of the three other midshipmen and one of the firemen. There are still six missing officers and sailors.

A dispatch to the Secretary of the Navy from Norfolk this afternoon states that the body recovered today from Hampton Roads, has been identified as that of Harvey Leslie Van Dorn, ordinary seaman, one of the victims of the Minnesota launch accident.

An attempt at suicide was made by Philip May, a former employe of the State Department, who was found unconscious in the lavatory of the sub basement, with a gas tube in his mouth. He was taken to the Emergency Hospital and will recover.

There is an unconfirmed report here that Secretary Taft may withdraw from the presidential race.

Senator Beveridge, who had a two hours' conference with the President yesterday, says that the issues of the next republican campaign will be Roosevelt's policies.

The treasury department today vindicates commander Cameron McR. Winslow, of the cruiser Charleston and one of the wealthiest men in the United States navy of having attempted to defraud the government out of customs duties amounting to $205 at San Diego, Cal. Acting Secretary Reynolds explains that an investigation of the case discloses that on last Thursday the collector at that port, wired the department that he had held up a large quanity of wines and cigars, the property of an officer and inquired whether he should accept the duty preferred. He was instructed to accept payment if throughly convinced that no fraud was intended.

The Geological Survey announces that the government and the railroads are about to experiment at Norfolk, Va., with "briquette" in locomotives, with the hope of having evolved a smokeless fuel. Experiments already carried out have convinced the Missouri Pacific Railroad, the Rock Island, the Illinois Central, the Burlington and others, that "briquette" furnish several times as much heat as plain, every day bitiminous coal, and produce very little smoke. "Briquettes" are made by taking waste, or slack coal, mixing it with tar and then pressing the mass into blocks by machinery.

According to the testimony today of Louis Van Riper, the former New York broker, at the trial of Edwin S. Holmes, jr., for alleged defrauding of the government by giving out, as associate statistician of the Agricultural Department, advance information about crop conditions, Holmes got legal advice that he could not be prosecuted before he embarked upon his scheme of giving out tips.

The discovery of a wonderful supply of meerschaum in New Mexico is announced by the Department of Commerce and Labor. The veins are located in the Diablo range of mountains, about 20 miles northwest of Pinos Altos.

Commissioner of Labor Charles P. Neill is in New York city today, and it is probable that while there he will acquaint himself with the differences between the telegraph operators and the two telegraph companies.

Secretary Taft.

Omaha, Neb., June 19.—Secretary Taft and party arrived here today from South Dakota. Taft stopped in Sturgis, Rapid City and at Fort Meade, where he inspected the troops under Col. Rogers. At Rapid City, Taft was presented with a handsome Indian tomahawk, a souvenir of his first visit. The secretary has entirely recovered from his recent attack of indigestion.

W. Bourke Cochran, who has just returned to New York, from a visit to Lincoln, where he saw Mr. Bryan, says that the Nebraskan can have the democratic nomination if he wants it and that he believed Hearst would abandon his Independence League and support Bryan.

It was reported from Pittsburg that the Chamber of Commerce has undertaken a movement for planting 2,000,000,000 trees at the headwaters of rivers in that region to prevent the great floods which have taken place annually. Even if these trees are planted it would take fifteen years to obtain desired results.

John McKibben, a nonunion telephone lineman, was stabbed to death at Anderson, Ind., Sunday night by union linemen in a fight which was caused, it is said, by McKibben's refusal to attend a meeting at which he was expected to join the linemen's organization. Thomas O'Neill and Willis Barr are in jail charged with the crime.

The Court of Errors at Trenton, N. J. yesterday affirmed the decision of the Court of Chancery granting a divorce to James B. Duke, president of the American Tobacco Company, from his wife, Lillian N. Duke. Mrs. Duke took an appeal, and has fought the case at every step. The decision of the Court of Errors finally settled the proceedings so far as New Jersey is concerned.

Mayor Schmitz of San Francisco, was formally removed from office by the supervisors at their meeting yesterday afternoon. Supervisor Gallagher was named as acting mayor in his place. This is the first step taken by the officials of the graft prosecution in execution of their plan to restore good government in this city. The reformers are now in a position to make a clean sweep.

At Raleigh, N. C., last night, the coroner's jury in the case of Dr. D. S. Rowland, charged with the murder by poison of Engineer Charles R. Strange, of the Seaboard Air Line, rendered a verdict that Strange came to his death in some unnatural manner unknown to the jury, and that for this Dr. D. S. Rowland and his wife, Lilly M. Rowland, the widow of Strange, be held without bail for the action of the grand jury at the July term of Wake county Superior Court.

Catholic Societies.

Anthony Matre, of St. Louis, national secretary of the American Federation of Catholic Societies, announced yesterday that the programme for the sixth national convention of the American Federation of Catholic Societies, to be held in Indianapolis, July 14 to 17, has been completed. The convention, Secretary Matre says, will be the greatest representative Catholic gathering ever held in the United States. Fully 1,500,000 of Catholics will be represented. The delegates will represent such national bodies as the Catholic Order of Foresters, with 130,000 members; the Ancient Order of Hibernians, with 200,000 members; the German Central Verein, with 200,000 members; the Knights of St. John, the Catholic Knights of America, the Young Men's Institute, the Catholic Knights and Ladies of America, the Catholic Mutual Benefit Association, the Women's Catholic Order of Foresters, the Western Catholic Union, the Irish Catholic Benevolent Union, the Catholic Benevolent Legion, the Bohemian and Slavonic national bodies, besides many State federations, county federations, Catholic parishes and institutions. Ten thousand Catholic Indians, as well as the Porto Rico and Hawaii federations, will also be represented.

The convention will open with pontifical high mass at SS. Peter and Paul Cathedral, Indianapolis. Archbishop Blenk, of New Orleans, will preach the sermon.

Body Identified.

The body found floating in the Potomac at Washington Sunday is undoubtedly that of William F. Wood, a young farmer of Nortonsville, Albemarle county, Va.

The belief is that Wood was suffering from some form of religious mania and that he committed suicide.

Two weeks ago Wood, who was of a good family and had borne an excellent reputation, was convicted in Charlottesville of larceny. He walked into a clothing store, picked up a suit of clothes and walked out, with several clerks looking at him. When arraigned in court he broke down and wept, saying he did not know why he had committed the theft. Before leaving the courtroom he sang a hymn.

The following Sunday found Wood in his place as teacher in the Baptist Sunday school at Longwood. His class of girls failed to greet him as he entered. Later, it is said, he was called aside and told that it would be best for him to leave the community. That night (June 2) he disappeared, leaving behind a note addressed to his aged mother, with whom he had lived since his father's death saying that he did not expect to return.

In his note he said that the amount he had in a Charlottesville bank—nearly $1000—would be undisturbed, as he could make his own way. Nothing more was heard from him.

Here's Good Advice.

Virginia News.

The wedding of Mr. Edward Jacobs and Miss Sibyl Burwell will take place at Christ Episcopal Church, Millwood, on Wednesday evening, June 19th, Rev. John Robeson officiating.

Otho N. Hillyard was put on trial in Winchester yesterday for the murder of Marius B. Ritter on March 29 last. The killing took place at the home of Mrs. Alexander Carlisle, a widow, whose daughter was the alleged cause of the feud between the two men.

Richard T. Wilson, secretary of the State Corporation Commission, made the following statement yesterday: "I am at liberty to levy on the property of the Southern Railway for the $500 fine imposed by the commission for violation of the demurrage laws promulgated by the commission at any time I see fit, and no further action of the commission is necessary before the levy is made." The secretary refused to say exactly at what time the levy will be made, but that it will be done there is no doubt. The railway had until 3 o'clock on Saturday afternoon in which to pay the fine, failing to do which it is up to the secretary to make the levy and collect the amount.

BODIES RECOVERED.

The waters of Hampton Roads yesterday gave up the three bodies of the six midshipmen lost with the launch of the battleship Minnesota. The bodies are those of Midshipmen Philip H. Field, of Virginia, class of 1906; W. H. Stephenson, of North Carolina, class of 1906, and F. P. Holcomb, of Delaware, class of 1907. Each of these was found afloat yesterday morning at widely divergent points, one near Thimble Light, six miles from Old Point Comfort, in the Chesapeake; another off Ocean View, and the third up toward Newport News.

The body near Thimble Light was discovered before 6 o'clock yesterday morning by Capt. Thomas J. Mann, of the steamer Washington, of the Norfolk and Washington Steamboat Company, as the steamer was coming in from Washington. Captain Mann reported the finding of the body to Rear Admiral Emery, at Old Point, and later to Supervising Inspector of Steam Vessels Oast at Norfolk. Captain Mann is forbidden by law to disturb the body, but he made careful note of the location, and the three launches sent for it from the battleship Ohio had no trouble in finding it. The body off Newport News was also found about the same time and that off Ocean View was found by fishermen somewhat later.

Each of the bodies was taken to the battleship Minnesota. The faces and hands had been so much eaten by crabs that it was necessary to identify them by marks on the clothing and articles in their pockets. Late yesterday afternoon a tug was sent from the Norfolk navy yard to the Minnesota and conveyed the bodies to the naval hospital.

It is believed that the bodies of the others still missing—three midshipmen and four seamen—will soon come to the surface, and a close watch is being kept for them.

The body found by the fishermen was identified by the clothing and the monogram on a watch as that of midshipman Holcomb. Because of the bruises on Holcomb's body the board is of the opinion that he must have been struck by the steel cable which sent the launch to the bottom.

COURT OF APPEALS.

The following were the proceeding of the Court of Appeals at Wytheville yesterday.

A writ of error was allowed in the case of Boer War spectacle vs. Commonwealth, from the circuit court of Henrico county.

Norfolk and Western Railway Company vs. Davis, administrator, from the circuit court of Wythe county, a writ of error was allowed.

Argument was heard in the case of Childress vs. Jordan, trustee, and the case submitted.

Tidewater Railway Company vs. Shartzer, Argued and submitted.

Trout vs. Norfolk and Western Railway Company. Argued and submitted.

Next cases to be called: City of Roanoke vs. Gertrude Blair, Barnes vs. Tidewater Railway Company, R. M. Crumley vs. Virginia-Tennessee Hardware Company, and Douglass Land Company vs. Thayer Company.

The court granted a new hearing in the case of John Wesley Woodson, of Buckingham county, who was sentenced to serve eight years in the penitentiary at the April term of the circuit court of that county, for an alleged attempt at criminal assault. Mrs. Rose B. Dunkum, wife of a highly respected citizen of Buckingham county, was the object of Woodson's alleged evil endeavors, and the case stirred up considerble interest in the neighborhood in which it happened.

Charged with Disturbing Worship.

Des Moins, Ia., June 18.—Mrs. Scott Ladd, wife of Justice Ladd, of the Iowa Supreme Court, today is under arrest here for disturbing the peace at the religious services over which she presides. At the religious services which Mrs. Ladd has been conducting the devotees writhe on the floor like maniacs, leap into the air, chatter and scream, gnash their teeth or beat themselves over the head. Investigators attended a meeting last night.

Miss Ethel Wallace lay writhing on the floor when suddenly she sprang to her feet and rushed straight at the "skeptics" where a city official sat. She began vertical jumps that increased in speed and height. She seemed in terrible anger and evidently was rebuking the official for his temerity. "Judgment on him!" cried some one, and the crowd seemed about to make things warm for the official. Then the girl weakened and sank back on the ground. Water was poured upon her, she was fanned and the effort left her limp and helpless. When she awoke she admitted "I am a physical wreck."

Klaw & Erlanger announce that they have secured a site for a theatre in Washington (believed to be St. Matthew's Church) where they will begin the erection of a vaudeville theatre with a capacity of 2,500.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Mr. Bryan Coming to Richmond,

[Special Dispatch to the Alexandria Gazette.]

Richmond, Va., June 18.—Mr. William J. Bryan wrote here today that he will be here October 11th, the last day of the State fair, to make a political speech on "The Average Man."

Mysterious Shooting.

New York, June 18.—Third degree methods today failed to wring any damaging admissions from James Wardell, the young machinist held for the killing of his 19-year-old wife last night. Wardell insists that the woman shot herself and failed to keep the first feature of a suicide pact which provided that she should shoot him first and then kill herself. Coroner Acritelli's unqualified statement today that the woman could not possibly have inflicted the wound which caused her death is responsible for the charge against her husband. A second man in the case, also held by the police, is Jacob Beahlert, who, the police say, admits having used the name of James Robinson. According to the story of the husband, repeated separations between himself and his wife had taken place. Last evening the two decided to die together. According to the husband, his wife suddenly changed her mind and asked him to get a revolver. He went out and purchased one, gave it to her, kissed her good bye, shut his eyes and waited for her to shoot him, as she had agreed. Then came the report of the revolver and Wardell, opening his eyes, found his wife dead at his side. He then called up the police. Beahlert, who appeared on the scene of the tragedy while the police were investigating, was arrested in the hope that he might throw some light on the mystery.

Racing Meet.

Ascot, England, June 18.—Society is gathered here in great force for the opening of the great four day's racing meet at Ascot Heath, which promises to be the most brilliant in its history. All the houses in the neighborhood, for which fabulous prices are paid for the few days, are occupied and will be the scenes of many revels during the rest of the week.

King Edward and Queen Alexandra with their guests, including the Prince and Princess of Wales, Prince and Princess Andrew, of Greece and other members of the house party their majesties are giving this week at Windsor, drove over in carriages.

Americans are playing a prominent part at the meet and in the social activities. Among those invited to witness the races from royal enclosure are Ambassador and Mrs. Whitelaw Reid and all members of the American embassay and their wives.

Indictments Dismissed.

New York, June 18.—Indictments were dismissed today against Charles F. Dodge, Abraham Hummel, Benjamin Steinnardt, Edgar A. Fursam, of Troy, former justice of the Supreme Court, and Edward M. Bracken, a private detective, on charges of subornation of perjury and conspiracy growing out of the Dodge-Morse divorce case which ruined several reputations, sent one lawyer to jail, and involved a number of men in high positions. The indictments were dismissed by Justice Giegerich on motion of District Attorney Jerome.

The dismissal came just one day too late to clear the name of Steinhardt before his death. The lawyer died yesterday with the indictment hanging over him. Hummel won his freedom from further prosecution by his testimony against Harry Thaw, as Jerome specifically declared.

In the bunch of indictments dismissed were two against Hummel and Steinhardt, law partners, for subornation of perjury; one indictment each against Steinhardt, Dodge and Bracken.

Absent Bridegroom Returns.

Boston, June 18.—Josephine Murray's faith in her sweetheart, "Bill" Smith, has been justified. Last Wednesday evening, when Smith failed to appear for the wedding, Miss Murray declared her belief that he was detained for a good cause, and even when she later received a laconic note signed "Bill" and stating that he had been "delayed and would be around to marry her soon," failed to shake her belief. Rather than disappoint the guests, nevertheless, she went ahead with the reception, according to the original plan—minus the groom. But Saturday Smith turned up. He said he had been ill and after two days of persuasion Miss Murray consented to forgive all. So they were married last night and after the ceremony there was another reception to as many guests as Miss Murray's home would hold.

Boston's Celebration.

Boston, June 18.—Boston celebrated the anniversary of the battle of Bunker Hill yesterday with such patriotic display that today's list of casualties bids fair to rival the fatalities on that historic occasion. Two deaths, 150 injured, many of them seriously, not to mention 100 arrest for violating the laws forbidding the use of explosives, are given as a part of the police record of the celebration. Mrs. Elizabeth Travers, of South Boston, and Cornelius Tagen, a fireman, were the martyrs of the day. Mrs. Travers, an aged lady, leaned out of her window to remonstrate with small boys who were shooting off fire crackers. She was startled by the explosion of several giant crackers, losing her balance and falling three stories. Fire works caused the team Tagen was driving to respond to an alarm to swerve and bolt, throwing him to the pavement.

Strike Threatened.

New York, June 18.—An announcement was made at the headquarters of the Commercial Telegraphers' Union this afternoon that the question of whether a strike is to be ordered will be settled definitely tomorrow. Charles P. Neill, United States Labor Commissioner, whom President Roosevelt has delegated to make the effort to prevent a strike of telegraphers, is expected here today to confer with leaders of the operators' union and officers of the Western Union. It is predicted he will receive a chilly reception from officers of the company, who have refused to see the men and say there is nothing to arbitrate.

Tonight.

If you would enjoy tomorrow take Chamberlain's Stomach and Liver Tablets tonight. They produce an agreeable laxative effect, clear the head and cleanse the stomach. Price, 25 cents. Samples free at the drug stores of W. F. Creighton & Co. and Gibson and Timberman.

The Peace Congress.

The Hague, June 18.—President Nelidoff of the International Peace Congress today announced the presidents of the four commissions which will considered the various subjects to come before the conference. They are M. Bourgers, of France: Signor Tarnielli, of Italy; Prof. Martencs, of Russia, and M. Beernaert, of Belgium.

President Nelidoff offered one of the presidencies to Joseph H. Choate, who heads the American delegation, but it was declined.

Trouble of a mild nature promises to be stirred up in the congress at the very beginning by a demand made by Italy that Perz Triana, the second delegate from Colombia, shall be excluded from the conference. The Italian government claims Triana is an anarchist from Naples.

By the decision of the delegations the protest against Frains retaining his seat in the conference will be referred to the Dutch government. It is not known whether Italy will be satisfied with this decision, however] A plenisry meeting of the congress will be held tomorrow when the work of the four commissions probably will be mapped out.

Wedding

Cleveland, O., June 18.—Miss Edith McGorray, neice of Sheriff J. V. McGorray, was married at 8 a. m. today to Edward H. Schwab, brother of C. M. Schwab, former head of the steel trust. The groom is professor of law at Notre Dame University, South Bend, Ind. The ceremony was performed at St. Johns Cathedral by Father Cavanaugh, President of Notre Dame University, before only the immediate families of the bride and groom. A number of eastern guests were present, including C. M. Schwab and the members of the Schwab family from Loretto and Johnstown, Pa., and New York city. Mr. and Mrs. Schwab reside at South Bend. The character of the bridal gift from the former steel king is carefully concealed, but no one has mentioned any $2,000,000, check.

The Haywood Trial.

Boise, Idaho, June 18.—"The report from Denver that I ever was in the employ of the Pinkertons or gave them information or was to be a stool pigeon for the mine owners is maliciously false. You cannot deny it too strongly." This statement was made by George Pettibone today.

When court reconvened this morning Harry Orchard was called to the witness stand. Several witnesses were called by the defense who were expected to impeach certain portions of his testimony.

A Denial.

London, June 18.—The Earl of Munster today authorized the Publishers' Press to specifically deny the reports which have been circulated in Chicago and other parts of the United States, emanating from London that he is to marry Mrs. Potter Palmer.

Five Men Killed.

Williamsport, Pa., June 18.—Five men were blown to atoms in an explosion of the getaline department of the Sinnemahonig Powder Manufacturing Company plant at Sinnemahonig. Hardly fifty pounds combined weight of the bodies were found. The roof was blown from another part of the factory. Two men were slightly hurt by flying debris.

The New York Stock Market.

New York, June 18.—The stock market opened very dull with irregular price changes. The majority of issues, however, showed fractional improvements.

The continued prominence of Union Pacific and Reading in the limited stock market dealings this morning was regarded by room traders as significant of accumulation of these stocks for some special purpose and a belief prevailed that the buying of both stock was by one interest and indicated closer relations between the two systems. There is no supply from any source in any part of the room and the slight demand noted was sufficient to cause advances ranging from fractions up to over one point all through the list.

V. M. I.

Nichols, professor of mathematics and mechanics, the senior member of the faculty in point of service, was designated superintendent until September 1. General Shipp tendered his resignation at a meeting of the board August 26 last year, in Lexington, at the completion of 50 years of service at the institute. Automobile Accident.

Captain Horace Fairfax Marseby Browne, of the British army, and his finance, Miss Maud Vera Hanna, daughter of the late Joseph H. Hanna, of Cincinnati, were injured in an automobile accident in Washington yesterday. Both were taken to the hospital, but later were able to return to their hotel. The marriage is scheduled for today. Captain Brown sustained a fractured arm and a number of bruises about the head and face. Mrs. Beulah Jacobs, of Cleveland, Ohio, who is Miss Hanna's chaperon, also was in the automobile, and was badly hurt.

The machine plunged down a deep embankment while turning a sharp curve in Rock Creek Park. The big touring car was completely demolished, and the chauffeur was the only occupant of the machine who escaped uninjured. Miss Hanna was taken to the Georgetown University Hospital but was able to return to her hotel after her wounds were dressed.

Local Matters.

Sun and Tide Table.

Sun rises tomorrow at 4:33 a. m. and sets at 7:29 p. m. High water at 1:31 a. m. and 1.49 p. m.

Weather Probabilities.

For this section partly cloudy tonight and Wednesday; light to fresh westerly winds.

THE PRIMARY.

Tomorrow the democrats of this, the Eighth, district will hold a primary election to nominate a candidate for Congress to fill the vacancy caused by the death of Hon. J. F. Rixey. On the very eve of the election the result is still in doubt, and at least three of the four candidates are claiming the nomination, while the fourth, Mr. John F. Ryan, of Loudoun, up to a late hour last night not only had not conceded his defeat, but claimed that he would be elected.

As far as can be learned there has been considerable betting, but the amounts are small and no one will be much hurt whoever is nominated. Champions of the several candidates have prepared slates forecasting the result, but the candidates themselves give out no figures. The following were the claims of the friends of the candidates at 9 o'clock this morning, but subsequent events have broken these slates to pieces:

For Mr. Carlin—Alexandria city, 1,000; Alexandria county, 225; Fairfax, 300; Prince William, 150; Loudoun, 350; Fauquier, 600; Culpeper, 600; Orange, 200; Louisa, 75; King George, 150; Stafford, 100; total, 3,750.

For Judge Nicol—Alexandria city, 280; Alexandria county, 225; Fairfax, 850; Prince William, 750; Loudoun, 350; Fauquier, 450; Orange, 75; Louisa, 50; King George, 60; Culpeper, 100; Stafford, 50; total, 3,240.

For Mr. Gordon—Louisa, 1,200; Orange, 600; Culpeper, 400; Fauquier, 400; Loudoun, 300, Fairfax, 100; Prince William, 50; King George, 100; Stafford, 250; Alexandria city, 25; Alexandria county, 25; total, 3,450.

For Mr. Ryan—Loudoun, 1,800, out of 2,200 votes; Fairfax, 300; Prince William, 200; Fauquier, 300, and 700 from the remainder of the district, making 3,300, which his friends say will elect.

It will be seen that if each man gets the vote claimed for him the total in the district will be 13,740, and that if the candidates run any way even the man receiving the nomination must get nearly 3,500 votes, but it is not believed that the total mentioned will be cast.

LATER.

A report was in circulation this morning to the effect that last night in Washington Messrs. Ryan and Gordon held a conference at which Mr. Ryan, after going over the field and being shown that he could not win, had agreed to withdraw from the contest, and had said that he would publish a card to this effect. Later, however, it was said he reconsidered his determination, and when the conference closed Mr. Ryan was still a candidate.

Today a Loudoun man, well posted in politics in that county, telephoned to Mr. Carlin, in this city, that Mr. Ryan was positively out of the race and that Mr. Ryan was then in Leesburg. This was considered here to mean that Mr. Ryan had withdrawn in favor of Mr. Gordon, as these two have been on close political terms during the past month.

Later in the day Mr. Carlin received the following telegram:

Leesburg, Va., June 19.

C. C. Carlin, Alexandria, Va.:

I have concluded to withdraw from the race. J. F. RYAN.

When asked by a representative of the Gazette what effect the withdrawal of Mr. Ryan would have on the election Mr. Carlin said that the 1,500 votes which Mr. Ryan would have received are now unpledged and that he would receive at least one-half of them.

Mr. Carlin went to Leesburg this evening to look after his interest in Loudoun county.

The withdrawal of Mr. Ryan decidedly complicates the situation.

JUDGES OF ELECTION.

The electoral board yesterday evening, after the Gazette had gone to press, named the following judges of election for the several wards who will serve at tomorrow's democratic primary:

First Ward—O. F. Phillips, Wayne Byers and W. B. Dobie.

Second Ward—R. M. Lathan, Conrad Schwab and R. W. Arnold.

Third Ward—B. F. Penn, Carter H. Smith and Edward J. Fleming.

Fourth Ward—O. R. Davis, Thomas Chauncey and J. T. Lawler.

The registrars are Wayne Byers, Conrad Schwab, E. J. Fleming and J. T. Lawler for the four wards, respectively.

Two clerks in each ward will be chosen by the judges.

The voting places, as stated yesterday, will be at the Elkton in the First ward, the City Hotel in the Second ward, Odd Fellows' Hall in the Third ward, and the Friendship engine house in the Fourth ward. The polls will open at 4:33 a. m. and will close at 7:29 p. m.

Each candidate will be allowed a representative in each polling place.

SOCIAL SESSION.

Alexandria Lodge of Elks held its last social session of the season last night. Prior to the social session seven candidates were initiated.

The social session was by far the best ever given by the organization, and it was generally admitted that Mr. A. D. Montier, chairman of the occasion, deserves great credit for the able manner in which the affair was conducted.

A large number of visiting Elks from the Washington lodge were present, among them being Exalted Ruler Hugh Harvey.

The programme was as follows: Overture, Alexandria Mandolin Club; address, Exalted Ruler Hugh Harvey, of Washington; vocal solo, Mr. Kenneth Ogden; recitation, Charles Bendheim; vocal solo, Mr. Forrest Birrell; address, Judge L. C. Barley; vocal solo, Mr. William Thornton; recitation, Mr. John C. Maxwell, of Washington lodge; address, Mr. C. C. Carlin; recitation, Mr. Thomas Caton.

During the evening Secretary Edward J. Fleming, representing a messenger boy of the Adams Express Company, delivered packages to a number of the members. When opened they disclosed articles with a piece of poetry attached to to each, which occasioned much amusement.

THE PUBLIC SCHOOLS.

The annual closing of the public schools was commenced this morning when the scholars of Lee School, white girls, Miss V. Ada Grigg principal, held their exercises. The young ladies were all prettily dressed and, wearing the school badges, assembled in their respective rooms where they were addressed by Superintendent Kemper and those who had won them were presented with certificates of distinction and other prizes by the clerk of the school board. In several of the rooms interesting exercises were held and the well arranged programme was carried out.

At the closing of Lee High School, after the distribution of certificates, prizes were given for attendance to Misses Katheryn Bales, Bessie Marks, Marion Negley, Fannie Hasson, Esther Kuhn and Sarah Schafe.

Prizes to those who made over 90 per cent. in their studies were received by Misses Katheryn Bales, Jessie Callahan, Madeline Byrnes, Kettie Adcock, Marguerite Callahan, Bessie Marks and Marion Negley, of the ninth grade, and Katie Eaton, Huldah Fairfax, Nannie Fairfax, Alice Gronau, Flora Hantzmon, Fannie Hasson, Esther Kuhn, Evelyn McCuen, Irene Pulman, Bessie Phillips, Sarah Schafe and Zelda Smith.

A special medal was offered to the girl who was excellent in her thoughtfulness for others, deportment and studies. Misses Kettie Adcock, Bessie Marks, Evelyn McCuen, Marion Negley, Katie Eaton, Fannie Hasson, and Madeline Byrnes were so equal that the contestants were obliged to draw for the prize, which was successfully drawn by Madeline Byrnes. The Carne Memorial Medal was voted by her schoolmates to Miss Jessica Callahan. The Superintendent's medal for the girl standing highest in her class was given to Miss Kathryn Bales. After the exercises the school presented the principal with a box of Martha Washington candy and a bunch of carnations. The following was the programme of exercises: Prayer, school; salutatory, Miss Agnes Reed; "Virginia," Miss Bessie Marks; class history, Miss Evelyn McCuen; class poem, Miss Jessie Callahan; valedictory, Miss Kathryn Bales; distribution of honors, "Auld Lang Syne," school; Mizpah.

In the seventh grade, taught by Miss R. L. Broadus, premiums were awarded to Miss Ada Walker and Miss Rebecca Germond, who averaged 97 per cent. on their studies for the year. Misses Minnie Pettit, Julia Davis and Ellen Jenkins, whose average was 96 per cent., and Ida Zimmerman, who made 95 per cent.

Certificates were given to the above-named young ladies and also to Misses Nellie Walker, Ellen Nagel, Edith Pulman, Gladys Ramey, Julia Auddon, Lillian Davis, Mary Penn, Marie Stoutenburgh, Daisy Dudley, Ellen Patterson, Etta Watkins, Coralie Greenaway, Nellie Chauncey, Elsie Lindsey, Mary Devaughan and Rosie Cox.

The girls deserving special mention for good deportment and general excellence in School No. 3, taught by Miss May Payne, were Misses Minnie Jaffa, Marguerite Penn, Grace St. Clair, Georgie Walker, Florence Anderson, Mary Benson, Mary Callahan, Margaret Entwistle and Nellie Goodwin.

The closing exercises of Washington School will be held tomorrow morning.

A PRETTY DANCE.

The annual dance of the students of the Episcopal High School was given last night at McBurney's Hall, in this city. The committee having the affair in charge were Messrs. A. M. R. Charrington, H. M. Bowen, L. C. Wellford, M. C. Lile, R. Taylor, jr., A. M. Blackford, F. A. Bowen, C. S. Grant, W. Q. Gallaher, F. D. Minor, jr., D. B. Williams. The chaperons were Mesdames K. W. Barrett, T. W. Brown, J. S. Douglas, D. J. Howell, Lewis Hooff, J. D. Gatewood, A. R. Hoxton, E. S. Leadbeater, E. L. McClellan, J. D. McClellan, Thomas Pettigrew, Willoughby Reade, C. H. Smith, Arthur Snowden and G. C. Stuart. Prof. Plitt's orchestra rendered excellent music and refreshments were served during the evening by Rammel Bros.

FINED BOTH.

The facts in a case in the Police Court this morning showed the flimsy basis of cases often brought before that tribunal by negroes. A colored boy had committed the unpardonable sin of placing his thumb upon his nose and wiggling his fingers. Mary Sims became incensed at the act and a war of words followed between her and Lucy Shepherd during which both aroused the neighborhood. The women waxed warmer and warmer as epithets filled the air, and finally Mary Sims challenged her antagonist for a combat. The Shepherd woman refused to accept the challenge, when Mary Sims rushed to the station house and swore out a warrant against her. Justice Caton this morning imposed a fine of $2.50 upon each.

THE ELECTRIC RAILWAY.

Affairs on the electric railway are tranquil, and there are no indications that the serenity is to be disturbed—at present, at least. Union and non-union men are working together apparently without friction or at variance with each other. It is generally believed, that no serious ruptures will occur. The community, which has in a certain sense as much at stake as the employers and employees, hope that the little cloud which has menaced the former relations between the men and the railway company will soon be caused to pass away, by the exercise of the good sense of all concerned.

ATTACKED BY A DOG.

A former member of Council from the First ward was recently bitten by a dog and for a time he endured some anxiety. Yesterday he was attacked by another cur while walking along the street and experienced considerable difficulty in keeping the brute from laying his teeth into his leg. The mayor has issued his annual notice concerning dogs, and it is hoped that some measures will be taken toward ridding the city of many ownerless canines as well as all upon which no taxes are paid. There has for some time been work for that old-time institution, the dog cart.

The funeral of the late Jacob Seiders, who died Saturday night, took place from the residence of his son, Mr. Eugene M. Seiders, 321 south Patrick street, this afternoon. Rev. Edgar Carpenter conducted the service. Andrew Jackson lodge of Masons, of which organization the deceased was a member, attended the funeral and conducted the Masonic services. The pallbearers were members of the lodge. Members of Thomas P. Davis Port, G. A. R. of which the deceased was also a member, attended the funeral.

ARRESTED AT PINE BEACH.

Lieutenant Demaine of Company G (Alexandria Light Infantry), and Privates McKay, Walker and Selph, of company C, of Richmond, had an unpleasant experience at Pine Beach yesterday. McKay, it seems, was pushed against a fruit stand belonging to a Greek and was seized by a policeman. Walker and Selph came up to inquire the cause of the arrest and both were promptly arrested on the charge of interfering with an officer in the discharge of his duty. A large crowd of regulars of the United States army gathered and protested against the arrest, and no attempt was made to place them in custody, but when Lieutenant Demaine asked the cause of the arrest he was immediately seized and against his protests marched away with the three privates. The policeman in the meantime, it is said, used the vilest epithets toward the lieutenant, and turned the men over to the Powhatan Guards, who placed them in confinement. Colonel Perry, upon becoming acquainted with the facts, took prompt measures toward having the men released, and when they were taken before a justice they were promptly dismissed as it was shown that they were guilty of no offense. Col. Perry says the matter is not settled by any means. The affair has caused a storm of indignation in Richmond as well as in Alexandria.

THE ELECTRIC WORKS.

Mr. William D. Wicker, chief engineer at the Alexandria Electric Light Works, is now engaged in placing in position the duplicate generator and machinery attached thereto. In a short time the plant will be in a position to furnish all the electricity that may be needed for power and light.

Mr. E. E. Mandeville, who took a prominent part in the installation of the plant, in this city, has, it is said, withdrawn from the company as secretary and treasurer, and his place has been filled by Mr. McIvor.

The committee on light of the City Council met the electric works officials last night in conference in the City Hall building, when a discussion as to the plant and the lights now furnished the city took place. It was admitted on the part of the electric light men that the lights are not of the candle-power promised, but they assured the committee that the deficiencies would be corrected, and that the company will fulfill every term of the contract.

CORPORATION COURT.

[Judge L. C. Barley presiding.]

Petitions were presented in the Corporation Court this morning by sundry citizens who had made tender of their taxes to qualify them to vote before May 5, 1907, and by omission or error whose names were not placed on the qualified list. The court, after examining a number of witnesses in some of these cases, ordered that the parties be properly assessed and be permitted to qualify as voters, and refused the application as to four of the petitioners. The petitioners were represented by Messrs. H. T. Smith and J. R. Caton. The decision of Judge Barley is on the lines of a decision recently rendered by Judge Turner, of the Fauquier court, in similar cases.

When Prescriptions are Wanted

Dienelt's Pharmacy enjoys the favor of all intelligent people. The reason is not hard to understand. Reliability describes it exactly. Physicians have made it perfectly understood that their prescriptions must be filled exactly as written and under no circumstances can substitutes be tolerated, therefore the bulk of prescriptions come to us because we and our drugs and medicines are known to be absolutely reliable.

Spontaneous Love.

Efforts have been started to break up the "Home of Spontaneous Love," run at Wellesly, Mass., by Frederick Reed, former master of the Boston Latin School. Not only are the authorities of Wellesley College aroused against the remarkable free-love community, but the staid residents of Wellesley village, shocked over the reputation which the place has managed to build up, have determined to run it out of town.

Reed has run the colony for two years. His wife, who strongly believes in his principles, has helped him conduct it. There are absolutely no restrictions in life at the "Home of Spontaneous Love." Reed maintains that "destiny" controls everything. While the marriage contract is not decried, it is not an esential.

Boston college girls visited the colonists until unfavorable reports were heard.

Every Man His Own Doctor.

The average man cannot afford to employ a physician for every slight ailment or injury that may occur in his family, nor can he afford to neglect them, as so slight an injury as the scratch of a pin has been known to cause the loss of a limb. Hence every man must from necessity be his own doctor for this class of ailments. Success often depends upon prompt treatment, which can only be had when suitable medicines are kept at hand. Chamberlain's Remedies have been in the market for many years and enjoy a good reputation.

Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints.

Chamberlain's Cough Remedy for coughs, cold, croup and whooping cough.

Chamberlain's Pain Balm (an antiseptic liniment) for cuts, bruises, burns, sprains, swellings, lame back and rheumanic pains.

Chamberlain's Stomach and Liver Tablets for constipation, biliousness and stomach troubles.

Chamberlain's Salve for diseases of the skin.

One bottle of each of these five preparations costs but $1.25. For sale by W. F. Creighton & Co. and Gibson & Timberman.

A Dangerous Deadlock.

that sometimes terminates fatally, is the stoppage of liver and bowel functions. To quickly end this condition without disagreeable sensations, Dr. King's New Life Pills should always be your remedy. Guranted absolutely satisfactory in every case or money back, at E. S. Leadbeater & Son's drug store. 25c

I will mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, The Heart, or The Kidneys. Trouble of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptons only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside nerves—means Stomach weakness, always. And the Heart, and Kidneys, as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here s where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for blotting, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write me today for sample and free Book. Dr. Shoop, Racine, Wis. The Restorative sold by E. S. Leadbeater & Sons.

FOR OVER SIXTY YEARS.

AN OLD AND WELL-TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over sixty years by millions of mothers for their children while teething with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for Diarrhœa. Is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind.

Notice to City Taxpayers.

Collector's Office, June 17, 1907.

Notice is hereby given that the tax bills for 1907 are now in the hands of the collector. The attention of parties interested is respectfully called to the following extract from the revenue bill of that year:

"Upon all bills paid in full by the 1st day of July, 1907, the Collector of Taxes shall allow a discount of ten per cent., and on all bills paid by the 1st day of September, 1907, he shall allow a discount of five per cent., and on all bills not paid on the 1st of December, 1907, there shall be assessed and collected a penalty of five per cent. upon the amount of said bills, and on all bills remaining unpaid on the 1st day of June, 1908, damages at the rate of six per cent. per annum shall be paid."

Taxpayers would do well to call and pay at once in order to avoid the rush and crowd usually present on the last days in which the discount is allowed.

Bring a list to make sure you get bills for all your property, as the collector will not be responsible or allow the discount after the time fixed by law.
